Memorandum for: Chief, WH Division/DDP

1. The attached correspondence was received by Mr. J. Sourwine, minority Counsel of the Senate Judiciary Committee, who in turn has forwarded it to me with his comments. Mr. Sourwine feels that CIA might perhaps wish to approach the author of the accompanying letter, [] not only to determine his bona fides, but also to ascertain the name of the man who is referred to in [] letter. Mr. Sourwine plans to take no action on the letter himself unless CIA specifically requests it.
